

# Spike up your Mindset with Serendipity

Book your Personal Online Coaching or a Workshop for your team, and learn how to make Serendipity a part of your life - connect the dots and go new ways.

## Plan & Train...

Depending on your mindset and the way you plan, it allows you to train the muscle of Serendipity. Learn on to take advantage of the unexpected, connect the dots and build bridges where other see holes.

## Activate...

Suffering due to stress, anxiety and frustration, is a sign that we have to change something. And the bad news is, that our mind sometimes gives us the wrong message and we then take the wrong decision. Activate your inner GPS, learn on how to trust your gut feeling and use it as a guidance to take the right decisions in your private life and at work.

## Switch on...

Switching on your Serendipity Antenna and train that muscle so that you can capture those serendipitous moments and take advantage of those unexpected moments in your daily life.
